1.2 Interpretation:

- (a) A reference to a statute or statutory provision is a reference to it as amended or re-enacted. A reference to a statute or statutory provision includes all subordinate legislation made under that statute or statutory provision.
- (b) Any words following the terms **including**, **include**, **in particular**, **for example** or any similar expression, shall be construed as illustrative and shall not limit the sense of the words, description, definition, phrase or term preceding those terms.

2. Basis of contract

- 2.1 The Letter of Authority constitutes an offer by the Customer to purchase the Services and any agreed Supplementary Services in accordance with these Conditions.
- 2.2 The offer referred to in clause 2.1 shall only be deemed to be accepted when the Letter of Authority signed by the Customer is received by NGP at which point this Contract shall come into existence (**Commencement Date**).
- 2.3 Any samples, drawings, illustrations, descriptive matter or advertising issued by NGP, are issued or published for the sole purpose of giving an approximate idea of the Services and any agreed Supplementary Services described in them. They shall not form part of the Contract or have any contractual force.
- 2.4 These Conditions apply to the Contract to the exclusion of any other terms that the Customer seeks to impose or incorporate, or which are implied by trade, custom, practice or course of dealing.
- 2.5 Any quotation given by the Energy Supplier, via NGP, shall not constitute an offer, and is only valid for the period specifically stated when the quotation is offered.

3. Supply of Services and any agreed Supplementary Services

- 3.1 NGP shall use all reasonable endeavours to meet any performance dates specified by us, but any such dates shall be estimates only and time shall not be of the essence for performance of the Services and any agreed Supplementary Services.
- 3.2 NGP warrants to the Customer that the Services and any agreed Supplementary Services will be provided using reasonable care and skill.
- 3.3 NGP are not a price comparison service. Although we work with many suppliers, we do not have access to every supplier and to every deal that could be available to the Customer. There is never any guarantee we will have access to the objectively cheapest deal on the market.
- 3.4 NGP takes into account a number of factors when assessing which suppliers and which specific contracts are best suited to the business needs of the Customer. These include but are not limited to the length of the contracts available, the price guarantee available, the quality of the services and services available from each Energy Supplier, and specific Customer needs (including your energy consumption pattern, budget, green credentials etc.).

3.5 Best value for money is one of our main considerations when putting forward different suppliers / specific contracts. For the avoidance of doubt, these deals may not, at face value, be the cheapest on the market, but are the deals which we believe will give you the greatest overall benefit for your money spent, and NGP makes does not warrant to always offer the Customer the 'cheapest deal'.

4. **Agency & Partnership**

4.1 NGP is an independent energy consultant, and nothing in these Terms is intended to, or shall be deemed to, establish any partnership between the parties, or constitute any party the agent of another party.

5. **Customer's obligations**

5.1 The Customer warrants, represents and undertakes:

- (a) To co-operate with NGP in all matters relating to the Services and any agreed Supplementary Services, including providing all relevant information in a timely manner as may be required;
- (b) To comply at all times with these Terms, as well as any applicable Terms & Conditions of any relevant supplier, relating to any energy supply contract;
- (c) To comply with all applicable legislation; and
- (d) To immediately inform NGP of any change in the Customer's circumstances, or business(es); which may affect the provision of services, or the fulfilment of any energy supply contract

5.2 If NGP's performance of any of its obligations under the Contract is impacted, prevented or delayed by any act or omission by the Customer or failure by the Customer to perform any relevant obligation (**Customer Default**):

- (a) without limiting or affecting any other right or remedy available to it, NGP shall have the right to suspend performance of the Services and any agreed Supplementary Services until the Customer remedies the Customer Default, and to rely on the Customer Default to relieve it from the performance of any of its obligations in each case to the extent the Customer Default prevents or delays NGP, or the Energy Supplier's performance of any of its obligations;
- (b) NGP shall not be liable for any costs or losses sustained or incurred by the Customer arising directly or indirectly from the NGP's, or the Energy Suppliers failure or delay in performing any of its obligations as set out in this clause 5.2; and
- (c) the Customer shall reimburse NGP on written demand for any costs or losses sustained or incurred by NGP arising directly or indirectly from the Customer Default.

5.3 If the Customer uses NGP's Services in order to obtain a Contract, which then fails to go live, or is cancelled and the Customer chooses not to proceed with the Contract for any reason, including but not limited to the agreeing of duplicate contracts, or submitting a COT / COO, then NGP will be entitled to charge a Default Fee of the value equating to 5% of the total value of a Contract to the Energy Supplier plus VAT.

5.4 The Customer acknowledges that by entering into an energy supply Contract with an Energy Supplier, the Customer is contracting directly with the Energy Supplier in this respect, and not with NGP. As such, the Customer agrees that NGP is not liable in relation to any transactions, dealings, or arrangements made between the Customer and the relevant Energy Supplier, and that any such transactions, dealings, or arrangements (including any payment obligations) are the Customer's sole responsibility.

6. Charges and payment

6.1 NGPs remuneration for the Services provided will already be included within our supplier proposals that we present to you and our fee will be included in your Energy Supplier energy bill. We will receive this directly from the successful Energy Supplier. You will not pay any additional fees for our Services on top of what we present in our supplier proposals.

6.2 Alternatively, on agreement, we can provide a shared savings model, where an agreed percentage of any energy savings made by the Customer as a result of our Services is provided to us.

6.3 Supplementary Services for specific projects or consultancy work may also be agreed. The Scope of such Supplementary Services and any additional fees payable by the Customer to NGP for the Supplementary Services will be agreed between us in writing and may be charged on a fixed fee or a time and expense basis.

6.4 This Clause 6 is without prejudice to our right to charge a Default Fee under clause 5.3 above. Any Default Fee that becomes due and owing to NGP is payable no later than 30 days from the date of NGP's invoice.

7. Intellectual property rights

7.1 All Intellectual Property Rights in or arising out of or in connection with the Services and any agreed Supplementary Services (other than Intellectual Property Rights in any materials provided by the Customer) shall be owned by NGP.

7.2 The Customer shall not sub-license, assign or otherwise transfer the rights granted in this clause 7.

7.3 The Customer grants NGP a fully paid-up, non-exclusive, royalty-free, non-transferable licence to copy and modify any materials provided by the Customer to the Energy Supplier for the term of the Contract for the purpose of providing the Services to the Customer.

8. Data protection

- 8.1 Both parties will comply with all applicable requirements of the Data Protection Legislation. This clause 8 is in addition to, and does not relieve, remove or replace, a party's obligations or rights under the Data Protection Legislation. In this clause 8, **Applicable Laws** means (for so long as and to the extent that they apply to NGP) the law of the European Union, the law of any member state of the European Union and/or Domestic UK Law; and **Domestic UK Law** means the Data Protection Legislation from time to time in force in the UK and any other law that applies in the UK.
- 8.2 The parties acknowledge that for the purposes of the Data Protection Legislation, the Customer is the controller and NGP is the processor.
- 8.3 The Customer acknowledges that any additional data relating to the Energy Contract may be accessed and processed until three months after any contract NGP has negotiated has ended.

9. Limitation of liability: THE CUSTOMER'S ATTENTION IS PARTICULARLY DRAWN TO THIS CLAUSE.

- 9.1 Nothing in the Contract limits any liability which cannot legally be limited, including but not limited to liability for:
- (a) death or personal injury caused by negligence; and
 - (b) fraud or fraudulent misrepresentation.
- 9.2 NGP's total liability to the Customer shall not exceed the amount of 5% of the average annual value of a Contract to the Energy Supplier plus VAT. NGP's total liability includes liability in contract, tort (including negligence), breach of statutory duty, or otherwise, arising under or in connection with the Contract
- 9.3 Subject to this clause 9.1, NGP shall not be liable to the Customer, whether in contract, tort, (including negligence), breach of statutory duty, or otherwise, arising under or in connection with this contract for:

9.4 Unless the Customer notifies NGP that it intends to make a claim in respect of an event within the notice period, NGP shall have no liability for that event. The notice period for an event shall start on the day on which the Customer became, or ought reasonably to have become, aware of the event having occurred and shall expire six months from that date. The notice must be in writing and must identify the event and the grounds for the claim in reasonable detail.

9.5 This clause 9 shall survive termination of the Contract.

10. Termination

Without prejudice to the foregoing, and any other rights and remedies that NGP may have, NGP shall be entitled to terminate or suspend the Services and any agreed Supplementary Services immediately upon written notice to the Customer in the event that:

- (a) The Customer is in breach of any of the provisions of these Terms and that in the case of breach capable of remedy such breach shall not have been remedied within 7 days of written notice from NGP to the Customer specifying such breach; or
- (b) NGP suspects on reasonable grounds that the Customer may have committed or attempted to have committed any fraud against NGP and/or any relevant Energy Supplier

11. Consequences of termination

11.1 The Customer hereby agrees to indemnify, keep indemnified, defend, and hold NGP and its parent companies, subsidiaries, affiliates, and each of their respective officers, directors, employees, owners, agents, suppliers, contractors, partners, information providers, and licensors harmless from and against any and all claims, damages, liability, demands, losses, costs, and expenses (including legal fees) (whether or not foreseeable or avoidable) incurred or suffered by any of such parties and any claims or legal proceedings which are brought or threatened arising out of or in connection with any use by or conduct of the Customer in relation to any of the Services and any agreed Supplementary Services, any transactions, dealings, or arrangements made with any third party as a result of using the Services or any breach of any of the provisions of these Terms or of any law or the rights of any third party

11.2 On termination of this contract the Customer shall immediately pay to NGP all of NGP's outstanding unpaid invoices and interest and, in respect of Services and any agreed Supplementary Services supplied but for which no invoice has been submitted, NGP shall submit an invoice, which shall be payable by the Customer immediately on receipt.

For the avoidance of doubt, this shall include any potential fee paid to NGP, whether directly from the Customer or from the Energy Supplier.

If any provision or part-provision of the Contract is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. Any modification to or deletion of a provision or part-provision under this clause shall not affect the validity and enforceability of the rest of the Contract.
